## WINE PAIRING MADE EASY

### **FOWL** AND **FEATHER**

#### CHARDONNAY

Let the Cooking Connection Wine Series help you take the guess work out of selecting great wines for great dishes.

If poultry is on the menu, we recommend pairing it with this buttery Chardonnay. Highlighted by ripe fruit flavors with hints of green apple and passion fruit, Fowl and Feather partners well with roasted chicken or a game bird spiced with green herbs. Pour a glass and enjoy - and good luck in the kitchen!
