THE MISSION

Cabernet Sauvignon - Merlot | Lodi

This very popular blend emphasizes both the strength and compatibility of these two varietals. Cabernet Sauvignon takes on a different - and delicious - personality when combined with Merlot. The blend percentages are critical and the fruit has been carefully selected to further enhance the result.

Cabernet Sauvignon is more pervasive on the palate, but the addition of Merlot yields a more sensitive side to its nature. The supple tannins, richer fruit and 'roundness' of the Merlot highlight the subtler qualities of its partner.

Profile

Cabernet Sauvignon brings dark-fruit flavors of blackcurrant and bell pepper. Merlot is generous with its palate weight and fruit flavors.

Pair

The Mission is a delicious accompaniment to Barbecued Ribs, Bolognese Sauce, Grilled Sausages with peppers and onions, or Pepperoni Pizza.
