

AMORE ROSSO

Trevezie Rosso

Italy

After a manual late harvest, the grapes undergo a cool fermentation on the skins, to enhance the color and flavor. As soon as the desired level of color and sugar concentration is reached, traditional red vinification is carried out at a controlled temperature. After the vinification, the wine is aged in wooden barrels. Amore Rosso is a well-balanced blend with elegant tannins, great texture and a long-lasting smooth finish.

Profile

A wonderfully well-rounded wine highlighted by intense ruby-red color. Vibrant notes of black cherry, raspberry, plum and spice. Well structured, this wine offers great depth and complexity with a long-lasting smooth finish.

Pair

Amore Rosso will delight any meal. Perfect to pair with grilled steak and sausage. Delicious with pasta with rich sauces, porcini mushroom risotto and well-aged cheeses.
