Napa Valley

*We leave no stone unturned and no vineyard is overlooked while we sniff out the finest vineyards and micro-climates in Northern California. Cabernet Sauvignon is the most widely grown red wine grape in the world and Napa Valley's Cabernet Sauvignons were recently ranked as the most searched and sought after. We have our own private sources for some of the top vineyards in all of Napa Valley and we keep them Classified! Hand made in small batches to ensure the best flavor and highest quality.*

### Profile

Classified Cabernet Sauvignon displays deep, dark fruits of blackberries, blueberries and boysenberries.

Well balanced flavors of anise and a hint of cola, with a slight touch of bell pepper lingering on the finish of this full-bodied, flavorful wine.

### Pair

Pairs perfectly alongside rich, hearty dishes such as filet mignon with cognac sauce, braised beef short ribs, grilled portabella mushrooms with garlic and a juicy burger topped with smoked Gouda cheese.
