

COSA BELLISSIMA

Primitivo

Cosa Bellissima is focused on the vineyards to achieve equilibrium in the vine in order to best express the characteristics of the territory, rather than achieving a specific yield. This approach is continued in the winery, where all techniques are oriented to preserve the freshness and distinct flavors of the grapes, as they naturally occur. Cosa Bellissima Primitivo takes advantage of the sunny Mediterranean climate of Puglia to produce an intensely inky Primitivo, with matching deep, spicy, dark fruit flavors. A wine for all occasions.
