

RAIN DROPS

Rosé

Nothing says relax like the sound of rain drops tapping on a porch roof. Rain Drops Rosé brings that sense of pure enjoyment. Rosé wine gets its distinct pink color through a production process known as maceration, the most common way to make pink wine. Rosé is a casual wine meant to refresh. Raindrops Rosé is light, dry and delicately aromatic. The balance of floral aromas, freshness and acidity are sure to please.

Profile

Light and elegant, Raindrops Rosé is expertly balanced and offers aromas of strawberry, cherry and citrus highlighted by flavors of light red fruit, lemon, flowers and melon. Crisp and bright, the flavors are balanced and refreshing.

Pair

Raindrops Rosé is an ideal partner for a light salad, sautéed Sea Bass, veggie skewers on the barbecue and sushi.
