

FAMIGLIA SANTUCCI

Toscana Rosso
Tuscany, Italy

The literal translation of “Rosso di Toscana” is “red wine from Tuscany. “IGT” on the other hand is an acronym for indicazione geografica tipica, which translated, means “typical geographic indication”. There is something inherently special and charismatic about Santucci Toscana Rosso. Some say this is instilled by the vine, while others are charmed by the balance and full flavor. What wins us over is the wine’s proven food-friendliness. The Santucci Toscana Rosso hits every flavor note, leaving us to want nothing else, except for maybe a few more bottles.
