## WINE COLLECTION

### ROSÉ

*The Smooch Collection Rosé is a casual wine meant to refresh. Rosé wine gets its distinct pink color through a production process known as maceration, the most common way to make pink wine. Rosé wine and sunshine go hand-in-hand so enjoy this light, dry and delicately aromatic wine on a sunny day! The balance of floral aromas, freshness and acidity are sure to please.*

#### Profile

Light and elegant, the Smooch Collection Rosé is expertly balanced and offers aromas of strawberry, cherry and citrus highlighted by flavors of light red fruit, lemon, flowers and melon.

#### Pair

Bright and crisp, the Smooch Collection Rosé is an ideal partner for a light salad, sautéed sea bass, veggie skewers on the barbecue and sushi.
