

Three Whispers

CABERNET SAUVIGNON SYRAH

The Three Whispers Collection Cabernet Sauvignon-Syrah blend is rich, fruit forward and packed with flavor. Syrah provides the up-front wild berry fruits and 'fleshy' rich texture.

The Cabernet component provides backbone to the wine, allowing the flavors to linger on the palate.

The grapes are grown in the central valley of California.

Situated between the Sierra foothills and the San Francisco Bay, this area has the perfect growing climate of warm sunny days and mild evening breezes.

Profile

The Three Whispers Collection Cab-Syrah blend offers a vibrant berry nose, with hints of spices. The palate is rich with layers of flavor including ripe plums and red berries combined with soft rounded tannins.

Pair

Pair the Three Whispers Collection Cab-Syrah blend with Beef Teriyaki, Roasted Rack of Lamb with rosemary and garlic, or Sautéed Field Mushrooms with Parmesan.

This fruit forward wine also goes well with strong companions like mature cheeses.
